

La Corporación de Ferias y Exposiciones S.A. hereinafter Corferias, informs that its Board of Directors at the session of today, May 20, approved and authorized the Legal Representative to carry out all the acts and operations aimed at the legalization of a credit quota obtained with its parent company, Chamber of Commerce of Bogotá, under the following conditions:

1. Value: \$12,000,000,000
2. Term: 10 years
3. Grace period (Capital and interest): 3 years
4. Capital Payment: Semester Expired
5. Rate: IBR Nominal T.V. +2.60%

This credit quota will be used to the extent of the needs or cash requirements of Corferias to meet the ordinary rotation of its operation, so once Corferias requires and legalizes the credit transaction previously related and if it, generates an impact or a variation of financial and accounting type, the respective report will be made on the Securities Market as relevant information.
