

## Measures taken by Corferias against Covid-19

In accordance with the measures adopted by the National Government regarding the management and prevention that must be given to COVID-19 and once the Free Zones are authorized, by order of the Ministry of Commerce, Industry and Tourism, for its employees to provide their services outside this area, Corferias, aware of what this situation represents for the health of the entire Colombian population, has decided that its employees will develop their activities through work at home.

Any request should be made through your account executive by phone or e-mail. In case you do not have an account executive, your requests will be received through the e-mail [serviciocliente@corferias.com](mailto:serviciocliente@corferias.com).
